# **BAY HARBOR**

— Stone Company —

*“Great Lakes Building and Landscape Stone”*

Bay Harbor Stone was formed in 2012 with the vision of producing and supplying some of the regions most durable, diverse, and quality products on the market. Whether your project requires full building stone, natural thin veneer stone, or landscape stone to add curb appeal, Bay Harbor Stone has a product for your needs.

With the goals of the owners set in place, and the diverse product line, Bay Harbor Stone has been able to set up a dealer network in the Great Lakes Region. To see a full list of dealers, please visit our website at [www.bayharborstone.com](http://www.bayharborstone.com)

It is our mission to see you through the process from picking out your stone, to the last stone being laid on your project. Thank you for choosing Bay Harbor Stone, and letting us turn your dream and visions, into reality.
