WATERFRONT SERIES

The Waterfront Series modular-sized bricks are a perfect blend of functionality and aesthetics. This series features a natural colour range, offering earthy tones that harmonize beautifully with various architectural styles. Their textures add depth and character, making them suitable for both modern and traditional designs, providing a timeless and adaptable solution.

METRIC MODULAR (MTM)

190mm length x 57mm height x 90mm bed depth
7-1/2" length x 2-1/4" height x 3-1/2" bed depth
