## Architectural Linear Series Brick

Our Architectural Linear Series Brick delivers a rugged, yet modern look in an elongated format.

As with our stone products, our brick is manufactured using the patented Natural Process™ technology, resulting in superb durability and aesthetics.

Arriscraft products are unique in the world, delivering the most authentic, most durable and most unique stone products. Our Natural Process™ technology combines natural materials (sand and lime), plus color pigments, to create products with the aesthetics and durability of quarried stone.

Explore our vast style selection in a broad array of natural colors, profiles and finishes. You can even combine color palettes and order unique colors through our customization options. Whatever your vision, we know you'll discover that it's possible with Arriscraft.

Central Georgia Technical College Health Sciences Building | Azar/Walsh Architects | Citadel® Cobble Hill

Arriscraft offers a truly comprehensive line of stone styles.

From impressive, old-world charm to cutting-edge contemporary, we have the style to bring every design to life. With an extensive and unique color palette, the possibilities are unlimited.

#### IMPORTANT NOTES

Colors and textures have been reproduced as closely as the printing process allows. Final selection should be made from actual samples.

Arriscraft stone products must be installed using industry recommended materials and techniques and conform to all related building requirements. All masonry products are intended for above-grade installations. Proper care, installation and cleaning are required for warranty validation. Please refer to the DATA sheets and CARE sheets that can be found at [www.arriscraft.com](http://www.arriscraft.com)

Arriscraft is the stone products group of General Shale, the North American subsidiary of Wienerberger AG and a leading manufacturer of brick, one of the world's oldest green building materials.
