Concrete Pavers

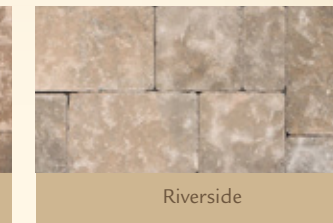

ADD COLOR *and* ELEGANCE to YOUR OUTDOORS

Concrete pavers create beautifully unique walkways, patios, and driveways. Available in weathered or straight edge textures, concrete pavers come in multiple colors with virtually endless pattern options. Create a seamless blend between your home and the natural environment of the great outdoors.

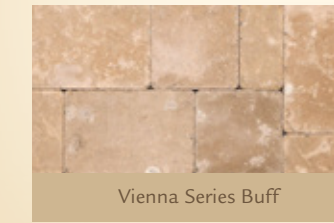

COLORS

Autumn Ridge

Riverside

Vienna Series Buff

Concrete paver products are not available to customers in the Mountain Region

Ashlar Park Clay Pavers

PREMIUM PRODUCT SERIES

PAVE *the* WAY LIKE NEVER BEFORE

General Shale has created a perfect blend of the best clay and concrete pavers have to offer and the result is Ashlar Park Clay Pavers. For years, multiple size pavers have only been available in a concrete product. Ashlar Park is the result of taking the multi-size option and introducing it in a clay package.

With a heavily textured surface area and natural earth tone colors, Ashlar Park Pavers provide all new opportunities to dress up your outdoor space with a variety of patterns for walkways, driveways, patios, outdoor dining areas and more!

COLORS

NOTE: Ashlar Park Pavers can be installed in a variety of patterns. However, 8" x 8" paver units are not recommended for driveway or vehicular applications.

Product availability may vary by geographic location. Please visit a General Shale retail location or contact your local General Shale representative for product availability in your area.
