

Contemporary Brick

Contemporary Brick offers modern refinement in an array of colors. This unique brick style is unlike traditional brick, owing to its random lengths (up to 30-3/8") and elongated appearance.

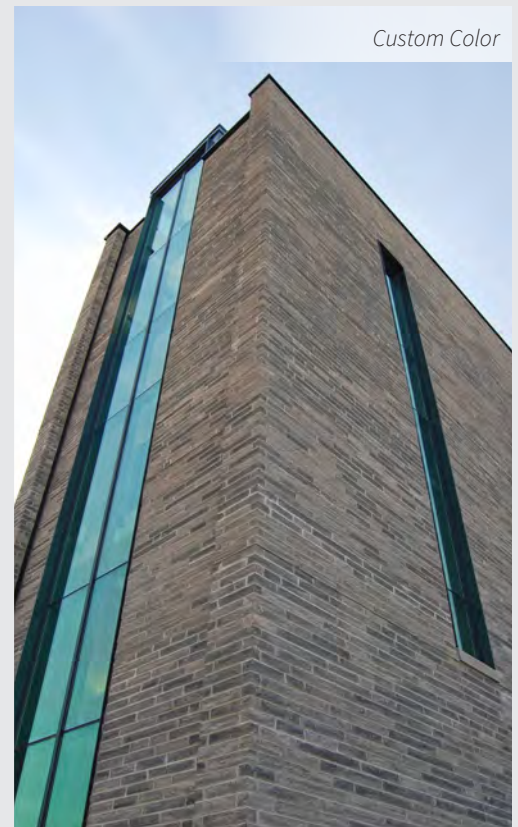

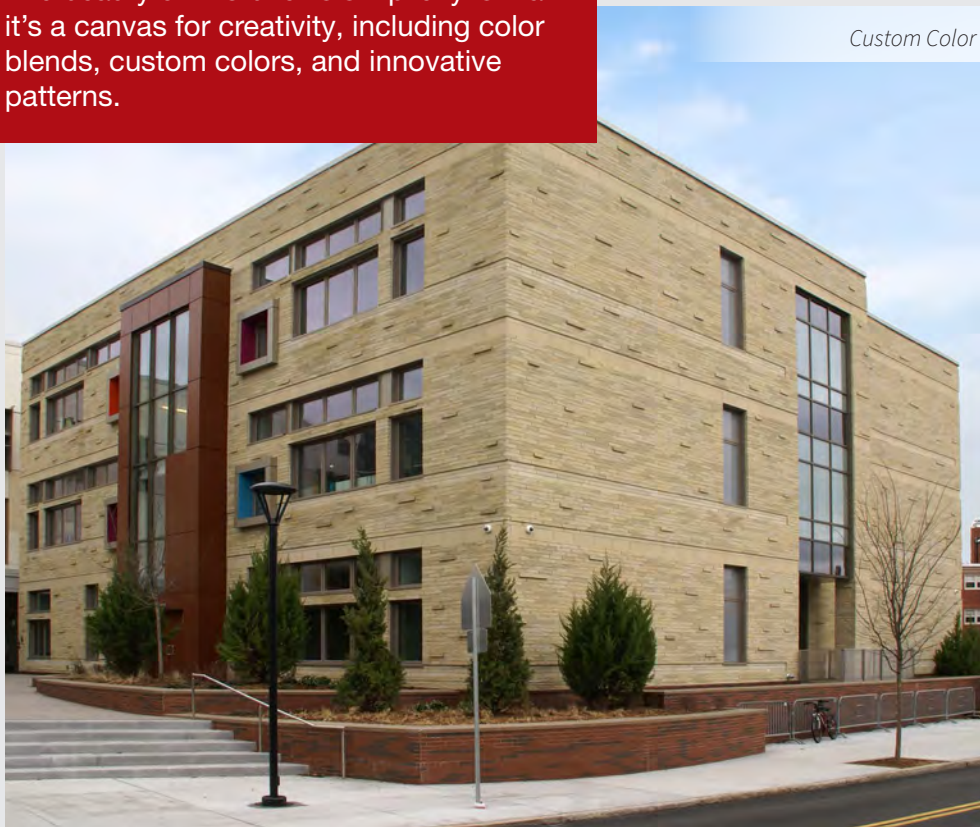

Contemporary Brick

PRO TIP:

Contemporary Brick is elegant and uncomplicated. But it's far from boring! The beauty of this brick's simplicity is that it's a canvas for creativity, including color blends, custom colors, and innovative patterns.

Contemporary Brick is offered in three sizes and six colours:

CON31	3-1/8" H x random (Up to 30-3/8") L x 3 1/2" D
