

AVANTI

NEW

Create a rustic chic vibe or modern finish with our versatile Avanti brick. This calcium silicate brick (like our stone products) features a natural, fine-grained texture which we age to create a uniquely smooth weathered brick. Available in four natural colours. If you want long and linear, Avanti is the product you're looking for.

Sea Shell

Ocean Mist

Coastal Fog

Black Coral

Product Size

| Height | Length | Thickness |
